**“The greatness of a community is most accurately measured by the compassionate actions of its members.”**

*Coretta Scott King*

For more than four decades, your actions have poured in and helped to sustain the framework of our beloved Covenant House. Your compassion, vision, and belief in our timeless mission remain ever apparent as you continue to support the three pillars of our work—food, housing, and health care.

This past year our advocates have remained busy, responding to the effects left in the wake of the covid 19 pandemic by providing emergency food and housing assistance, but it seems a perfect storm is brewing. Amid cuts in government funding, looming inflation, slashes to SNAP benefits, and soaring food and housing costs our current budget cannot keep pace. The need for your assistance may never have been greater and we are sounding the alarm.

Scores of new faces are passing through our pantry doors and the demand is so high that we are on track to provide more pantry bags than filled in the previous year. Midway through 2023, we have distributed over 67,000 lbs. of food and helped to stabilize 1,200 West Virginia households with rental and utility assistance. As you can see, the demand persists and completing this work would be impossible without you.

Please keep in mind all contributions of any size go a long way in helping our most vulnerable neighbors to meet their basic needs, keep their families safe, and make it to a brighter future. As a community-led organization we recognize the need of working together to effectively address the needs of our community. With collective thought and action, we may succeed in weathering the unknown of what lies ahead.

Will you consider making a contribution to our 42nd end of year campaign to help support our work? If so, you may make an online donation at [wvcovenanthouse.org/make-a-difference/donate/](http://wvcovenanthouse.org/make-a-difference/donate/). You may also use the enclosed envelope and donation card to contribute. Every dollar counts and more than 80% of donations received go directly back to the community, while 100% stay local. It is our promise that transparency and ethical stewardship will always drive our services. We thank you for your continued support and belief in our mission.

Sincerely,

 Briana Martin
